MINI MARATHON

We have been keeping a running total of money raised so far and it's looking amazing! Please could we ask for any further sponsorship money to be sent into school along with the form sent out to you. We would like to collect this in as soon as possible please. In assembly next week awards will be given out to the individuals from each class that have raised the most and also a special prize for the class that manages to collect the most money.

MATHS SUPPER CLUB

The Wholesome Charity will be running a Maths Supper Club at Felsted Primary School. This will run every Tuesday evening from 4-6pm in the school hall, commencing Tuesday 4th June until Tuesday 9th July, excluding 2nd July. A choice of meals will be provided and dietary requirements can be catered for.

All the family can enjoy the meal, there will be entertainment for the children and parents can join in with some informal maths discussion if they would like to. This will be lead by a maths tutor from Multiply. (Multiply is a government funded programme offering free maths and number skills support). If you choose to attend you will need to register with the maths tutor. We can support with this if needed, and after registering you will be sent £10 of Tesco vouchers.

All the family can attend. There is no cost. You are welcome to come to as many sessions as you would like to but it would be great to see families attending each week.

Please can you complete this survey so we know who to expect and can cater for the correct number. We hope you find this a supportive and useful opportunity.

We have some exciting news to share! This week has seen the appointment of our new co-chairs, Maddie O'Neil and Jo Franks, and event coordinator Jennifer Turney. We would like to welcome them to the PTFA and we look forward to hearing from them soon about future fundraising event.

PARENT REP MEETING

Next week we will have our half termly catch up with parent representatives from each class. They will be collecting ideas about what you would like to discuss in the meeting. Many thanks to them for taking the time to collect your views and attending the meetings.

We are very pleased that our Reception and Year 5 children will be involved in some learning around road safety. This is run by the Safer Essex Road Partnership. They offer this training free of charge to every primary

school throughout Essex, with the aim of reducing casualties on our roads, through a series of interactive activities during a child's school journey. We are very pleased they are able to offer our pupils training in this valuable life skill.
