WEATHER

We have all noticed the change in the weather this week! Please can I ask that all children bring a warm coat. Hats, gloves and scarves are also a good idea. When the children have PE days they need to be wearing their joggers (not shorts) while the temperatures are so low. A

reminder that we will do our very best to let you know of any closures or later starts if there is snow. This will be communicated via text and Tapestry and decisions will be made based on snowfall and the forecast for the day. If at all possible, we will open as usual or start later to allow time for staff (and children) to travel in safely.

ATTENDANCE

We have been very impressed with attendance this week. We must have a very healthy bunch of children as every single child was in school on Wednesday!

With 203 pupils on roll this is very unusual. We greatly appreciate the efforts of children and parents with understanding the importance of good attendance. Currently there are 87 pupils with 99 -100% attendance which is brilliant!

PINS (Partnership for Inclusion of Neurodiverse children in Schools)

As you may remember we are part of this trial project this year. We have already met with our PINS coordinator and had a curriculum, sensory and environment audit. All of which were very positive and have given us further small improvements we can make. Our PINS Coordinator will also come in and offer parent workshops on the

following dates:

- Date TBC** – Neurodevelopmental Diversity
- 12th Feb** – Emotional Regulation
- 12th March** – Learning and Executive Functioning

These will all take place in the hall between **1.45-3.15**. I will send out a form for you to sign up closer to the dates but you are welcome to attend any/all of these so if they are of interest please make a note of the dates in your diary.

WALK TO SCHOOL LEADERBOARD

CROCHET ART

You may have seen the wonderful crochet work in the new Year 1 play area. Mrs Campbell, Mrs Turney, Jasmine (from Oak Tree) and one of our lovely grandparents have been working hard to create some art to improve the look of the new fence. I'm sure you will all agree this looks amazing and there are plans to continue adding to this. Please do go and have a look if you haven't seen this. Many thanks to all those involved in creating this lovely addition.

PTFA NEWS

Don't forget the Christmas Bazaar is after school **on Friday 13th December**. To help reduce queuing times for Santa's Grotto this year, we will be introducing time slots. These are not

exact entry times but provide a rough window for you to join the queue. Tickets will be on sale at the entrance of the hall so make sure you get your ticket and book a time slot.

Refreshments will be available with a cake stall, please bring any cake, mince pie, biscuit donations on the morning of the Bazaar. Raffle tickets will be coming home shortly, if you wish to buy them, please put the cash in the envelope and return to school. Sum Up payments will be available on the day but please bring small change as we have lots of little games and festive activities for the children to enjoy.

Don't forget we need tombola and raffle donations so please bring into the office when you can or find me on the playground! Thank you for all your support, I'm looking forward to making this a lovely, festive event!
