PLANETARIUM

We are excited to announce that we will be hosting a mobile planetarium on **Thursday 6th March**. The following week is national Science Week and we will be having a focused Science day on Thursday 13th March, so

the planetarium will be a great way to start this week off. The captivating planetarium shows deliver curriculum-focused, presenter-led content which will ignite curiosity & spark a desire to explore and learn more. It's an unforgettable opportunity to bring the marvels of space directly into our school.

We have been very fortunate to have had a donation from the PTFA which will cover most of the cost of the planetarium. We are asking for a contribution of **£2 per child**. This can be paid on School Money anytime between now and the end of February.

We are sure this will be an exciting opportunity for all the children and a chance for them to see Science in action.

Please support the PTFA by coming to our Christmas Bazaar after school today. The PTFA have worked very hard and are looking forward to this fun event!

I'm sure it's going to be brilliant!
