Parent Workshops

Our first PINS Parent Workshop took place last week and was well received by those who attended. A big thank you to everyone who was able to join us!

There are two more workshops scheduled, and we warmly invite all parents to attend any of these. These workshops are a fantastic opportunity to learn strategies for supporting your child's development and to connect with other parents. We hope you find the sessions helpful and look forward to seeing you there!

AUTISM CENTRAL IS HERE TO HELP

Autism Central is a Peer Education and Support Service run by parents, for parents, offering online group sessions and 1:1 support for parents and carers of autistic people of any age. Visit the [Autism Central](#) website to book onto a group session, or request a 1:1 appointment.

CHILDRENS MENTAL HEALTH WEEK

Next week, we will be focusing on mental health strategies and holding open discussions with the children. This is an important subject, and we hope it will empower the children, helping them feel more confident in taking care of their mental well-being. As part of this initiative, we are also excited to remind you that there will be a **dress down day** on **Friday next week**. We encourage all the children to participate and wear something comfortable.

Thank you for your continued support in helping us foster an open and supportive environment for the children.

Be smart
on the
internet

Whats App is increasingly being used by some of our children so as parents you might want to have a look at the link shared below. This is a really useful page that sets out any settings you can alter to keep your child safe if you choose to allow them to use Whats App.

[Is WhatsApp safe for my child?](#)

We're getting organised with the future events we hope to run for the children. If anyone has any ideas for fundraising and/or wants to get involved, please do get in touch. Being involved doesn't mean you're obliged to attend every meeting and event. Any time or ideas you have are welcome and you can pick and choose how much or little you want to do.

Feel free to drop me a message on the PTFA Facebook page. Thank you.
