### BEHAVIOUR AT FPS

#### OUR SCHOOL VALUES

Be Kind

Be Safe

I wanted to take a moment to share an update on our approach to behaviour at school. Over the past year, we have made some changes to our expectations and strategies to ensure a consistent and positive environment for all students. As part of this, all staff have received training, and we have also reviewed our core values, which were outlined in the first flyer of this academic year. These values are displayed on staff lanyards and are regularly reinforced with the children, particularly when addressing any behaviour concerns.

Where possible, we aim to link consequences directly to behaviour. For example:

- If a child disrupts a task, they will be expected to complete it during break or lunchtime.
- If a child causes damage, they will assist with repairs where practical and appropriate.

Serious incidents are always recorded, and parents are informed accordingly.

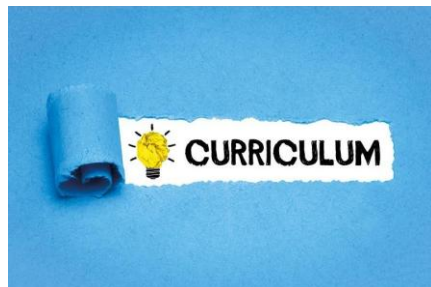

The Senior Leadership Team actively monitors behaviour through incident reports, learning walks, and key times such as lunchtime to ensure a supportive and respectful school environment.

Thank you for your continued support in helping us maintain a positive and structured atmosphere for all children. If you have any questions, please don't hesitate to get in touch.

### LEARNING INFORMATION

Don't forget there is lots of information about our curriculum and what the children are learning on our school website. Please click on the link if you would like to find out more.

### HAVE YOUR SAY ON NEW ESSEX AIR QUALITY STRATEGY

Families across Essex are being encouraged to share their feedback on a new draft [Essex Air Quality Strategy](#).

Air pollution is the largest environmental risk to public health in the UK, with children particularly susceptible to the health impacts.

Many sources of air pollution also release greenhouse gases and reducing pollution also helps tackle climate change. The new strategy sets out actions to improve air quality and help reduce the impacts of air pollution on people's health.

Have your say on the draft strategy by completing the [public consultation survey](#) before March 2.

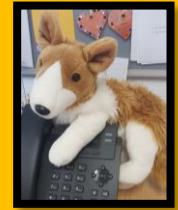

PTFA are busy making plans for some exciting events that will be coming up. We should have some dates for you

soon to add to your diaries!
