## Friday Flyer

14/2/2025

We are excited to celebrate Book Week from 3rd to 7th March! Throughout the week, children will enjoy storytime sessions, engaging activities, and a special focus on books.

As part of the celebration, we will have a Dressing Up Day on **Tuesday, 4th March**, with the theme "Bedtime Stories." Children are welcome to come to school dressed in their pyjamas for the day!

We look forward to a fantastic week filled with the joy of reading. Thank you for your support in making this a special event for the children.

### OWL (OUTDOOR WELLBEING AND LEARNING)

Felsted Primary School is committed to teaching the children about the environment. We use our extensive surroundings as a resource. The school has a wildlife area, including a pond, and a vegetable garden. In addition, children are

taken for environmental walks into the surrounding area as part of their environmental learning.

The Felsted Primary School OWL Curriculum has been designed to use the natural environment as a relaxing and stimulating environment to facilitate health and wellbeing. These activities foster creativity, playfulness and imagination, as well as respect and knowledge of natural landscapes and processes.

### Our two main objectives are:

1. Learners can develop positive, informed behaviours that encourage them both to care for and respect themselves and others. These behaviours support learners' sense of self-worth, their overall mood and energy levels.
2. Supporting learners to develop strategies which help them to regulate their emotions can contribute towards good mental health and emotional well-being.

## HALF TERM ROUNDUP

This half term has been busy, positive, and full of wonderful experiences for the children. We have enjoyed many special moments and were pleased to share your child's progress with you during parent consultation meetings. Looking ahead, we are excited about the next half term, which will include events to bring our school community together, such as the Art Exhibition and, of course, our Whole School Concert. There is so much to look forward to! For now, we hope you all enjoy a well-deserved week of rest and relaxation—ready to return refreshed for more positive learning and achievements.

### ROOTS TO FOOD

Last week, our Key Stage 2 pupils took part in a fantastic cooking session, and as always, they were enthusiastic about food and cooking!

These sessions not only build confidence and independence in the kitchen but also encourage children to be more adventurous in trying new foods.

Due to the great success of the event, we have already booked for next year and are excited to extend this opportunity to our younger children as well. This means that next time, all pupils will have the chance to take part!

### COMIC RELIEF

The date of this is **Friday 21<sup>st</sup> March** and we will be having a Mad Hair Day to raise some money and also for the children to enjoy! We would ask that parents make a contribution for this on the day. We are aware this is one of

our concert days but are happy to go ahead as it shouldn't affect their singing!
