Healthy Schools

Before half term, our School Parliament had the fantastic opportunity to meet with two members of the Essex Healthy Schools team. They engaged in an informative discussion about healthy eating in school and explored ways to improve our approach.

The Healthy Schools team has also analysed the data from our parent, staff, and pupil surveys, and we are excited to share that some great initiatives are coming soon! Our first focus will be reviewing our snack policy.

In the next couple of weeks, we will be holding a whole school assembly to discuss ways we can make positive changes together. Please keep an eye out for further updates as we continue working towards a healthier school environment!

ART EXHIBITION

We are looking forward to welcoming lots of visitors this afternoon as the children are so excited to share their art learning with you!

📍 Where: School Hall

🕒 When: 1:45 – 3:00 PM

Feel free to bring along grandparents or other family members who may be interested in attending.

☕ Tea and coffee will be available, and you'll have the chance to browse through all the children's sketchbooks. There will also be class representatives by each display to talk you through their creative process.

We hope to see you there!

WALK TO SCHOOL LEADERBOARD

- 1st - Oak Tree
- 2nd - Apple Tree
- 3rd - Laurel Tree

Brilliant – well done! 😊

WATCHING AND BROWSING ONLINE

Children love streaming videos and browsing the web—it's a fun way to learn and relax. But it's important to guide them to safe, age-appropriate content. This guide will help you support children to agree to digital boundaries, make smart choices, and building healthy online habits. Please click in the link to find out more. [Parents' Guide](#)

SINGING CONCERT

Each class is working hard to learn their songs for the upcoming concert, and with the stage now set up, we have some whole-school rehearsals scheduled. We are really looking forward to sharing our

Colours-Themed concert with you!

As soon as we are able, we will let you know if any spare tickets become available. We understand that restricting attendance to one ticket per family is not ideal, but this is necessary due to limited space in the hall. This year will serve as a trial, and we will review the process to see what improvements can be made for future concerts.

Thank you for your understanding and support—we can't wait to see you there!

SCIENCE

The Wonderdome experience was amazing! We received so much positive feedback from both children and staff about this fantastic learning opportunity. It was a brilliant way to kick off British Science Week and spark

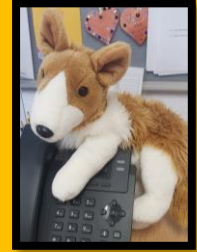

curiosity about the wonders of science.

To continue the excitement, we have set aside a special Science Activity Day next week. Keep an eye on Tapestry, where we will be sharing photos from the day!

CONTACT DETAILS

Please get in contact with us if you have any questions or queries that can't be addressed through Tapestry. For general questions use the admin@felsted-pri.essex.sch.uk. Any SEN enquiries should be sent to senco@felsted-pri.essex.sch.uk. For anything confidential please email directly to the head using the head@felsted-pri.essex.sch.uk
