Super Star Sports will also offer sports clubs, including **Football** and **Ninja Warriors**. They are open to adding more clubs if there is enough interest, though previous attempts to expand offerings did not have sufficient demand. If you haven't yet responded, we'd be grateful for your thoughts on what the school is doing well and how we can improve our provision. Your input is invaluable in helping us grow and enhance our community. The survey closes on **Thursday, 3rd April**. Please click [here](#) to share your views. Thank you for your time and support!

OWL – OUTDOOR WELLBEING AND LEARNING
 Next week, we are excited to kick off **OWL and Eco Week!** This year's theme is **British Wildlife**, and each class will focus on a different animal. At the end of the week, they will share what they have learned.

Throughout the week, children will make the most of outdoor learning experiences, deepening their understanding of nature and the environment. Keep an eye on Tapestry for photos and updates—we can't wait to share this learning with you!

We are so pleased that our lovely school grounds can be made available for you to use as part of Stay and Play. This takes place every week on a Friday until 4.15pm. A few reminders re this session:

- Parents are responsible for their own children during Stay and Play
- School equipment should not be used during this session
- The children should be respectful of school resources

There has been a reminder about this in assembly today as last week there was a lot of equipment left out.

DATE CHANGE

The dates for the summer term open evening and reports to be sent out to parents have changed. Open evening will now take place on the **2nd July 3.30-5.30pm** and reports will be sent through to you on the **30th June**.
