FAMILY MATHS GAMES IN LIBRARIES FOR PRIMARY SCHOOLS

Essex Libraries have got a great new opportunity for kids to boost their maths and number skills. They have a <u>fantastic range of new games available</u> to play either at home or in libraries! All with a maths and numbers theme, these games will help kids aged 3 to 9 to improve their skills around counting, times tables, handling money, and more.

As mentioned on the last flyer Stay and Play will restart today and it looks like the weather will be on our side! Stay and Play will be every Friday until 4.15. The school bell will ring at 4.15 to signal

the end of the session. Please feel free to bring balls/small play equipment if you wish. The children are welcome to play on the climbing frames but we would ask for them not to use the den building equipment please. I will remind them about expectations today. PTFA will be selling lollies and tuck today. Please remember:

- Children can play on fixed play equipment
- Children staying are the responsibility of parents no staffing is in place
- Children are expected to be respectful of school property

This is a lovely opportunity for parents and children to use our outdoor space. We look forward to seeing some of you there!

The Autism Central Hubs offer guidance to families, carers and personal assistants of autistic people. All of our sessions are run by Peer Educators. These are parents or carers of autistic people, who are happy to share their

knowledge and experience with you. They offer group and one-to-one sessions to help you and other parents and carers find the information and services available in your area. Hubs may also run events such as workshops, drop-in sessions, coffee mornings or virtual meet-ups.

RESIDENTIAL

Year 6 have spent the last few days in Norfolk and have had an amazing time. A big thank you to Miss Mitchell, Mrs Clarke,

Mrs Claridge and Mrs Hermon for taking the children on this trip.

The SEND Navigation Team, alongside representatives from Essex Family Forum, SENDIASS, Health, Education, Social Care and other organisations will be hosting four Roadshows in June and July (one in each quadrant area). This is a chance for parents/carers/families to come along and ask any questions about special educational needs and disabilities. Please click on the link to find out more - Essex Local Offer roadshows.

SUMMER CONCERT

The PTFA will be selling cold drinks, cakes and ice creams. A reminder that younger siblings will not be able to attend this event please. We will be happy to accommodate additional family members

but would limit this to 4 per family. Please can you click on the link (if you haven't already) to let us know how many adults are coming from your family. Numbers attending As mentioned previously if the concert finishes before the end of the school day we are happy for parents to make an early collection if they wish.

You will be aware that sports week is coming up soon. Activities are planned for all the children throughout the week and you will hear more details about this soon. Sports Day takes place on the 20th as

part of the week in the morning. We are planning to start this for about 9am. Parents are welcomed and can bring younger siblings along to watch. Once the races are finished children will be taken back to class for a snack and drink while parents make their way out of school. It is helpful if parents can make a quick exit as some children can get upset seeing their parents leave!
