OPEN AFTERNOON

Following on from transition day today, open afternoon on the 10th July, is an opportunity for you and your child to pop in and visit your new teacher and classroom. You can also catch up for a chat with current teachers.

Children are welcome to come along but will need to stay with you as there will be no one to supervise them.

LOCKDOWN PRACTICE

I am sure the children told you all about our lockdown practice! This week we did an annual check after pre warning the children that it would happen but not telling them when. We decided to carry this out at lunchtime as this would be the most tricky time. I can't tell you how proud I was of the children! They were all in within 2 minutes with no fuss and when I walked round the site to check doors etc were locked it was completely silent!

SCHOOL PARLIAMENT

The children from our school parliament met this week and talked about both healthy eating and our new seating area. They had some suggestions of seating to look at and have voted for their favourites. I am looking forward to getting these ordered and set up as soon as

possible. The children are keen to make some healthy eating posters and have some other great ideas about how to motivate everyone with healthy choices.
