# HOUSE TEAMS COMPETITION

We would love to have a logo to represent each of our house teams Bannister, Frenches, Gransmore, and Watchhouse. It can be a small picture or even a crest (think Harry Potter Houses!) We would like it to show everything your house team represents and to be colourful and unforgettable! Any children who would like to enter a design

are asked to do so by **Wednesday 16th October** by adding them to Tapestry with the Title 'house team logo'. These will then be shown to the rest of the school for a whole school vote to choose their favourites. The winning designs will be announced on **Monday 21st October.** Good luck and happy designing!

# ORDERING SCHOOL LUNCHES

Please note we will **not** now be able to add any lunches for Monday if you have not chosen these by the deadline on a Sunday. If a lunch has not been ordered in time you will need to provide a packed lunch.

## UNIFORM

We have a few reminders about uniform:

- School shoes must be black these can be trainers but must be all black and leather
- No bracelets or necklaces
- No nail varnish
- Long hair **must** be tied back
- Jogging bottoms should be in **black** please

We will follow up any concerns around uniform by sending text reminders to parents as and when needed. Please do get in touch if there are any circumstances we should be aware of.

#### CROSS COUNTRY

We had a very excited team of 32 children across Key Stage 2 at cross Country today. We spent the morning at Great Easton and the children represented the school beautifully. One of our Y4 girls got a 3<sup>rd</sup> place medal and every one of our children tried their very best. We think some teams/individuals will go through to the next round so will update you once we have the information. Great job Team FPS! Big thanks to the parents who came to cheer them on too.

## THE ESSEX LOCAL OFFER ROADSHOWS FOR ALL SCHOOLS

The <u>Essex Local Offer Roadshows</u> are back! The SEND Navigation Team, alongside representatives from Essex Family Forum, SENDIASS, Health, Education, Social Care and other

organisations will be hosting four roadshows in October and November 2024 (one in each quadrant area). This is a chance for parents/carers/families to attend and ask any questions about special educational needs and disabilities.

## PARKING

I know parking can be very difficult at drop off and pick up times. We received an email from a resident recently regarding

parking. Please can you make sure you are parking where it is safe to do so and taking consideration of the local residents. As you may be aware we will have a large car park available as part of the housing development next to school. We are hoping this will be up and running by the summer and will keep you posted.
